## CHAIRMAN COMMUNICATION 020/2022

Dear ITKF Member Organizations,

We hope everyone is well together with your families.

Below is some information for the knowledge of all members of our organization.

### 1. INAUGURATION OF THE NEW ITKF HEADQUARTERS

It is with great satisfaction and joy that we inform our affiliates about the inauguration of the new **ITKF Headquarters**. Our institution will now have a better and more adequate space so that we can work better and more efficiently.

The symbolic value of this headquarters is very important institutionally, we effectively put our roots in the ground. When the roots are very solid, we can face adversity better and grow safely. Another step in the path of restructuring, modernization and strengthening of our institution.

The new ITKF headquarters is located at the same building that houses the **non-profit sports federations of the state of Paraná**, clearly demonstrating that the ITKF has its documentation perfectly legalized.

We thank everyone who worked and contributed to make the new **ITKF Headquarters** come to fruition. We also appreciate the commitment and trust that our Member Organizations have placed in our management.

## 2. STRATEGIC PLANNING

In 2019, during the 20th ITKF World Championship, strategic planning was carried out until 2023. Remembering that representatives from all continents participated in this activity.

We will propose a **new round of strategic planning** and invite all member organizations to participate. Your participation is very important to define / redefine the goals and direct the future of our institution.
