CHAIRMAN COMMUNICATION 025/2022

Dear ITKF Member Organizations,

We would like to thank and congratulate the great ITKF family for the work carried out throughout the year and the results we obtained institutionally.

We ended 2022 strengthened in all aspects and this is a very important finding because everyone wins with this situation. We are stronger and we are more respected.

We take advantage of this moment of reflection to remind everyone that among our institutional objectives are equality, respect for people and nature, and solidarity.

ITKF GLOBAL is beyond borders and cultural, political and religious differences. Our big family is part of a single people that inhabits this planet and that seeks above all to live in peace and harmony.

We wish you all an excellent end of the year and that we can build together an excellent 2023.

ITKF will be in recess from December 24th to January 11th.
