ITKF CHAIRMAN COMMUNICATION 033/2024

Dear ITKF Family

We hope that at the beginning of 2024 everyone is well along with their families and students.

We started 2024 with great news, we finalized our affiliation and partnership with another important and respected international institution, **ICSSPE**. The **International Council of Sport Science and Physical Education** - ICSSPE is a leader of the global movement educating for sustainable quality of life for all through physical activity and sport. ICSSPE was founded in the late 1950s with the aims of maintaining an inclusive perspective on the different disciplines of sport, sport science and physical education, and of furthering a continuing collaboration between them. It brings together a wide range of scientific and professional organizations of various sport branches and disciplines, and creates the possibility for interdisciplinary collaboration.

I believe that currently, worldwide, we are the karate institution with the largest number of highly qualified partners, which makes our institution stand out and gain a lot of respectability and reliability.

I also inform everyone that the annual fees for these 3 institutions have already been duly paid.

Below is the ITKF official events calendar for 2024.
